At the bottom of most menu screens to play freely through a fully functional amplifier, access your unlocked gear and guitars, and de

ENTER SELECT Esc BACK A AMP SPACE MAIN MENU

TAB GUITAR BASS

---

I love playing this song. It's pretty easy but I don't care it's still fun to play. Great for beginners. I think it might be bugged because I had to raise the difficulty on this one manually. It wouldn't raise the level for me even though I got all the notes.. I love playing this song. It's pretty easy but I don't care it's still fun to play. Great for beginners.
